3. Assembly

Objective

To ensure

- a systematic and timely process for the preparation and execution of assembly
- authenticate the quality of the assembly through observations and
- evaluating their performance and ensuring imparting values through the assembly process.

Process Overview

- The SOP outlines the steps involved in the preparation, approval, and circulation of the rooster, as well as the updating and verification of assembly scores through which the quality is ensured and enhanced.
- Weekly there will be two assemblies. The number of assemblies is currently planned in such a way that every section (Grades 3 to 8) gets a minimum of three times to present an assembly in a year. In every assembly minimum of 10 (approximately 35%) students the entire class will have the opportunity to stage at least once in the assembly.
- Two assembly incharges from each level - Primary and Middle school level will be selected for the same. Two evaluators who will have a neutral role will be deployed as the evaluator.
- If due to inclement weather, the assembly is canceled, the same class will lead the classes in the morning prayer through the PA system, but their assembly will be repeated again by the end of the particular month's slot.
- Though the agenda for the morning assembly is fixed, class mentors in consultation with the subject and ECA teachers can plan for creative assemblies based on the theme.
- Prize distribution during assembly should be planned in a way that does not disrupt the regular schedule. If the number of prizes is substantial, prior approval from the Principal or Director Academic must be obtained to conduct the distribution during an allocated common period for the respective grades.
- **Overall Accountability :** Principal
- **Responsible :** Assembly Incharges

4. Book Review

Objective

- To create an interest for reading amongst the students, to develop their comprehension and reporting skills, to make them reflect upon their reading, the Nool Vanam (Q's resource center) has introduced the book review.

Overall Accountability: Librarian

Responsibilities

The responsibilities for the book review process are assigned to students, English teachers and the librarian

Procedure

Children of Grades 3 to 12 are encouraged to indulge in reading by borrowing books from the library and by having a classroom library. From the classroom library or the books borrowed children are asked to submit at least one review per month. These reports are reviewed by the respective grade English teachers and are awarded marks.

Based on their scores and the number of books borrowed and read, the leading readers score and the Best book reviewer is chosen.

4. Book Review

S.No	Particulars	Schedule	Responsible	Description
1	Book Review Submission	Latest by 25th of every month	Students	Submit completed book reviews to the designated collection point.
2	Book Review Correction Date by English Teachers	26th to 29th of every month	English Teachers	Review and correct the submitted book reviews for content, grammar, and overall quality.
3	Book Review Scores Update by Librarian	30th and 31st of every month	Librarian	Update the scores of the corrected book reviews in the designated tracking system.
4	Verification of Book review file and score sheets by Audit Executive	1st and 2nd of the following month	Audit Executive	Verify the book review files and the accuracy of the score sheets, ensuring compliance with the review standards.
5	Book Reviewer scores to Teachers	2nd of the following month	Librarian	The librarian has to issue the scores to the respective class mentors to choose the leading readers of the month.
6	Book Reviewer poster preparation and circulation	3rd to 6th of every month	Librarian	The librarian selects the reader of the month from each section in each Grade and prepares a poster with their photographs. Once the class mentors verify the photos and names, the poster will be shared with the parents via WhatsApp.

General Note

- All participants in the book review process should receive clear instructions and reminders regarding the deadlines and responsibilities.
- Regular updates should be provided to all stakeholders to ensure transparency and accountability.
- By following this SOP, the book review process can be conducted in a structured and efficient manner, ensuring timely corrections, scoring, and verification of student submissions each month.

4. Book Review

Book Review - Staff

Every staff of QMIS is encouraged to read book and share the review of the same to the smaller group gathering on a day that is mutually convenient to the Team and Managing Director. The Librarian should ensure that the staff who are reviewing are given a book or a small souvenir.

5. Bulletin Board

Objective

To create an interactive and visually appealing learning environment that supports students' learning, a systematic and timely process for planning, preparation, and content display is implemented.

Bulletin Board Preparation

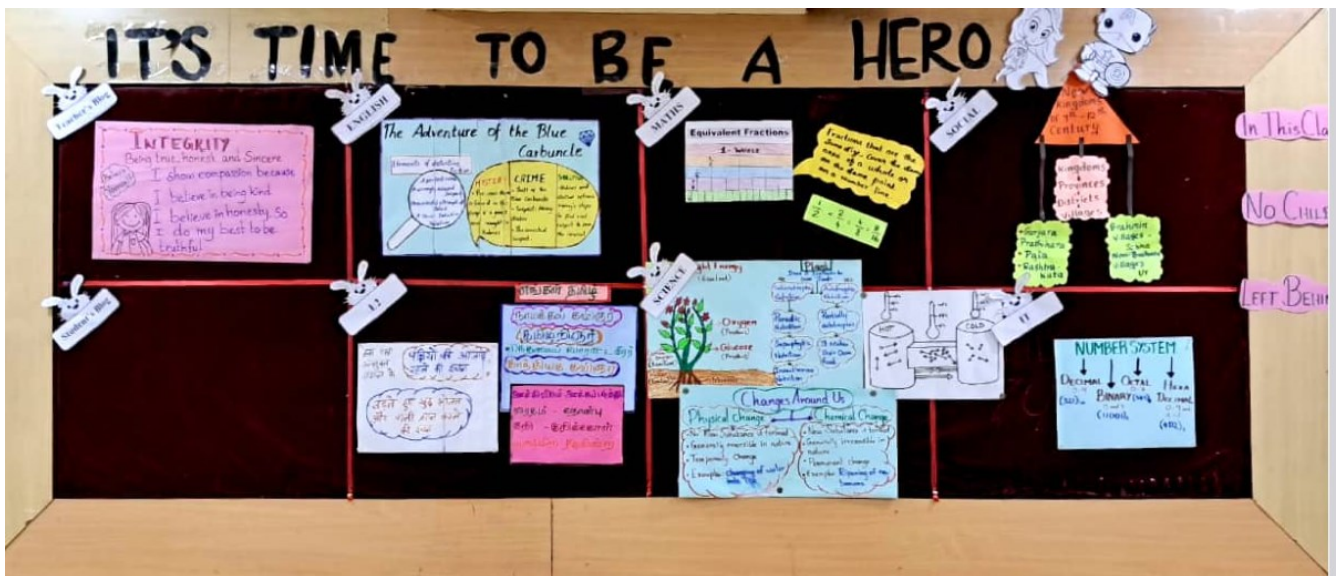

Respective class and subject mentors should ensure that the bulletin board contents are prepared and submitted along with the lesson plan for approval. Till Grade 3, the subject mentors have to prepare bulletin board content appropriate to the topic that's been taught. Grade 4 and above subject mentors have to give group assignments on the bulletin board content in rotation and the involvement of students on this bulletin board work should be quantified in the SOM rating.

Ref : Students SOM Topic / Domain – Parameter 10.b in SOM Score sheet

S.No	Timeline	Schedule	Responsible	Description

6. Class Mentor Responsibilities

Objective

The role of a class mentor is to foster student learning by creating a supportive and engaging learning environment, prioritizing their physical and emotional safety and well-being, building strong relationships with both students and parents, and striving to enhance each student's holistic development and success.

General

A class mentor is expected to be the custodian for her children inside the school campus and typically the second parent role has to be played by him/her. The accountability of retaining every child in your class with happiness and individual care is the accountability of every class mentor and she holds the responsibility for ensuring their emotional well-being and holistic success.

A class mentor has to be aware of every student and parent in her class. Every class mentor should be aware of the 20-20 parents in her class (The positive 20 % of parents and the critical 20% of the parents). Efforts to be consciously, directly / indirectly to be done to convert the critical 20 to the positive 20. More than parents' satisfaction, every parent should be made to experience delight in their ward's performance.

The detailed responsibilities of a class mentor are as follows:

Before beginning the academic session

- Ensuring the child's happiness and mood .
- Ensure that the children are hale and healthy and have had their breakfast.
- The child's expected attire and shoes and socks are to be checked.
- Personal hygiene to be ensured.
- Children are to be reminded of their to-do for the day/classroom maintenance / cover duty if any.

6. Class Mentor Responsibilities

- Escorting students to the assembly on days designated for common assemblies.
- Productively engaging the children on the non assembly days as per the agenda rolled out by the coordinators.

A. Class Rooms Accessories & Arrangements

- System peripherals and status of functioning daily.
- Board – Writing
 - Date
 - Thirukural
 - Total Strength
 - No. Present
 - No. Absent
 - Timetable of the day
 - Cover duty teachers name

B. Bulletin Board

- Ensure that all subject mentors have displayed the charts every Friday evening.
- If the quality of the same is not up to the standard, then it has to be escalated to the level Facilitator and the Coordinator & ensure rework has been done.
- Students' work should also be displayed on the Bulletin Board every week.
- A Hard Copy of every important circular and the portions, time tables of continuous assessment are to be displayed on the Information Board.
- Students' Transport details and ECA preferences are to be displayed on the board. In case of
- class mentor's absence, the cover duty teacher will understand and proceed with the routines.
- Thorough knowledge about the class room display to be oriented to the children.

6. Class Mentor Responsibilities

C. Deputing student leaders: (Divide the no of working days by no of strength & decide monthly or fortnight)

Ensure a fair and rotational selection process for students to assume leadership roles, and clearly explain their responsibilities in these positions. Emphasize that these roles are not for the sake of holding a title, but for fulfilling the duties and expectations associated with them.

- Cleanliness leader – Ensuring classroom cleanliness
- Resources leader – Turns on and off the lights, A/c, Fans, chalks, duster, and marker pen are properly utilized. The prime scope is to ensure to turn off the A/c when they move out for activities.
- Journal & Home Fun Leader – Ensures and supports the class mentor in checking whether every student has got acknowledgment from the parent and at the end of the day they have all made a note of their home fun in the journal.
- Discipline Leader – Takes care of the student movement and behavior during the transition time and a common student gathering occasion.
- Communication Leader – Emphasizes and reminds the students to adhere to the official language of communication English.

D. Leave policy of students & Attendance

- Educate the students about the significance & benefits of attending school.
- Orient the School's leave policy to the students.
- Leave should be taken with proper communication through Edumerge.
- If not sent, insist upon the practice.
- If the child is absent consecutively for more than 2 days, check the status of the child over a call and share with the level coordinator.
- If any long absence (more than 10 days) is noticed without prior intimation, due edumerge caution is to be given to the parent on the absence, and mail information to

6. Class Mentor Responsibilities

E. Sick or injury during school hours

- If the child is sick or gets hurt, take the child to the sick bay immediately. If you are occupied in a class, depute a non-class mentor or communicate to the coordinator to allot a teacher and take the child to the sick bay.
- Check the status of the child. According to the severity, the child can be retained in the school or sent home and the level coordinator is to be informed. Anyway, keep the parents informed about it.
- If the child has not turned on the next day, call the parents and check the child's well-being.
- If the child is severely injured, then she/he has to be taken to the hospital with the support of the Nurse. Inform the parents to report to the hospital.
- If the Child's illness prolongs, then with the due permission of the Principal / DA, the class mentor shall visit the child at hospital or home. (if the parent also agrees to the visit)

F. During Lunch Time

- Disseminate during lunch hour and get seated with different sets of children every day and dine.
- Ensure the child consumes a healthy lunch every day.
- If not, just have a casual conversation with the parents and tell them to give healthier choices.
- Display a lunch chart, give a star or appreciation to whoever brings healthier choices instead of junk food.
- Ensure everyone completes the lunch. If you feel more quantity is sent, inform the parents.

6. Class Mentor Responsibilities

N. Assembly

- When a chance is to your class, have a proper minute-to-minute plan of display of your children's skills and talents in advance, at least before 15 days.
- Ensure that all the children have an opportunity to showcase their skills.
- Stick on to the stipulated time given.
- Avoid last-minute preparation.
- Maintain a log book of their assembly participation as this would be essential data to enter the child's digital portfolio.
- Take students reflections after their assembly performance and help them to make it better the next time.

O. General Practices

- For any petty matter apart from normality, ensure to share with your level coordinator.
- Have a frequent conversation with your coordinator related to any hyperactive / less able children.
- At the beginning of the period, ensure that the subject mentor has arrived at your class.
- If it is an outdoor class, ensure the children reach the place (Veera vanam, Play ground) safely with the support of the ECA and PE teachers.
- Have a month-on-month conversation with parents regarding the child's learning and progress at school during the open meeting day on the fourth Saturday (subject to change based on the school's schedule. Hence Monthly calendar reference to be done)
- Students' Demography maintenance- The data captured by the PRM / Front office for each class will be shared with every classroom and the class mentor has to make use of the same as the data point to extrapolate information regarding Child's demography
- Be present during the planner time, make them complete all the columns in the planner. Ensure to acknowledge, and motivate to get reflections and signatures from parents every

7. Communication

Objective

To ensure effective home-school communication so as to foster a collaborative and supportive environment that promotes academic success, personal development of students and build strong partnership between home and school.

Procedure

School communicates to the parents through the following modes

- a. Circular
- b. Whatsapp
- c. Edumerge

1. Circulars

- A circular carrying the precise information of the event will be drafted by the Academic team, vetted by the audit team will generally be shared with the Parents with proper designing.
- Care should be taken that the content is very precise delivering the objective of the event and the other details required in a comprehensible language. (ensure the why, how and what are answered in the circular)
- The drafted content, after proof checking the content to be sent for designing.
- A designing matching the colour codes of the school should be ensured by the incharge who is coordinating the circular.

1a. Initiation of Circular Content

The Circular Incharge initiates the circular content **three weeks before the intended distribution date.**

1b. Verification by Academic Incharge:

Once the content is ready, it is sent to the Academic Incharge, for verification. This should be done **one day after the initiation of the content.**

1c. Verification by Audit Team

After approval from the Academic Incharge, the circular is forwarded to the Audit Team for

7. Communication

verification. This step should also be completed **within one day**.

1d. Designing Phase

Following verification by the Audit Team, the circular is shared with the designing team for designing on the **third day**. Designing by the team takes place from the **fourth day to the sixth day**.

1e. Final Approval and Consent

Once the designing phase is completed, the circular is circulated to the DA's office for final consent on the **seventh day**.

1f. Printing (If required)

If the circular requires printing, it should be initiated between the **eighth day to the tenth day** after the content initiation.

1g. Distribution

After printing (if necessary), the circulars are ready for distribution to the intended recipients. Printing of circulars will be decided by DA and MD based on the purpose of the circular.

1h. Dissemination

The circulars that are printed or not, it should be disseminated to the children through edumerge and whatsapp by the respective class mentor.

Note

- The circular content should be concise, accurate, and informative.
- Each stakeholder involved should adhere to the designated timelines to ensure the timely distribution of circulars.
- Any delays or issues encountered during the process should be immediately communicated to the Circular Incharge for appropriate action.

Circular - Responsibilities

- **Circular Incharge:** Initiates circular content and oversees the entire distribution process.
- **Academic Incharge:** Verifies the content for accuracy and relevance.
- **Audit Team:** Ensures compliance with organizational standards , policies and also proof checks the content.
- **Designing team:** Responsible for designing the circulars.
- **DA's Office:** Provides final consent before distribution circulation.
- **Printing Department (if applicable):** Responsible for printing the circulars as per the specified timeline.

Circular - Overall Accountability : Principal

2. Communication - Whatsapp

To meet the immediate requirement of the parent community school also encourages the common whatsapp communication, wherein a group for every grade is created by the PRM and the messages that are approved by the DA will be shared from time to time.

Class mentors only mode of communication is edumerge. But as a school if there are any common messages to be shared with the parent, then the content has to be shared by the level coordinators, content once approved by the Principal with the acknowledgement of DA, it can be shared with the parent from the school's whatsapp account.

3. Communication – Edumerge

Though the circulars and whatsapp mode of communication are available, school expects the teachers to stay on the official portal of communication -Edumerge. The detailed procedure of how to use the Edumerge for Home -School communication to be referred in the Edumerge domain / Topic.

8. Document Maintenance

Objective

As a Class and Subject mentor, every teacher must maintain certain documents. These documents enable us to have proper documentation of the lessons, and class proceedings, The nature of these documents and their submissions to your supervisors for verification/approval is as follows:

Responsibilities

The responsibilities for general submissions are assigned to Class Mentors, Subject Mentors, MLTs.

Attendance

- Attendance register is a valid document for the presence of the student in the campus which is mandatory for every teacher to maintain. Though the school is moving digital to combat the transition phase - currently both the manual and digital portals are being followed.
- Beginning of the new session the teacher who plays the role of a class mentor will be issued with an attendance register. The teacher has to collect the correct name list of her class and write the names in alphabetical order without any gender demarcation. The biography of the children is also to be filled by collecting the data from the students' demography. Sibling details, ECA activity details, and transport details can be documented for quick reference.
- Every class mentor is expected to take the attendance of the class daily twice - once in the morning around 9 am and then in the afternoon by 1 pm. Once the attendance is taken, the registers to be left in the Staff room with the level coordinators and the same shall be collected by the Audit team for verification.
- If in case any students move early due to leave, sickness or permission the same has to be duly notified before it is submitted to the Audit team..

8. Document Maintenance

- Once the attendance is taken, the same has to be duly documented in the edumerge portal .
Month on month the mentors have to close the attendance by calculating the average attendance of the month and an average number of working days for the month. The summary must also be filled in the rear end of the register in the designated column.

S.No	Particulars	Frequency	Time	Responsible	Description
1	Attendance Register Collection	Daily	9.30 AM	Class Mentors	Collect the attendance register from the Principal's office.
2	Attendance Registers Taken Checking	Daily	10.30 AM	Audit Team	Check that the attendance registers have been taken by the Class Mentors.
3	Attendance Register submission at Principals Office	Daily	2.00 PM	Class Mentors	Submit the completed attendance register back to the Principal's office.
4	Attendance Registers Submission Checking	Daily	2.30 PM	Audit Team	Check that the attendance registers have been submitted back to the Principal's office.

8. Document Maintenance

Lesson Plans

- Every mentor (K - 8) is expected to draft a monthly lesson plan matching their year plan and submit the same to their level coordinators 27th of every month. While submission the mentor should ensure that they are submitting the QP for the continuous assessment and the bulletin board contents planned.
- Every lesson plan component should be relevant and should be planned in such a way as to give a meaningful learning experience to the learners.

S.No	Particulars	Frequency	Time	Responsible	Description
1	Lesson Plan submission at Principals Office	Wednesdays	4.00 PM	Teachers	Submit the lesson plans to the Principal's office.
2	Lesson Plan collection from Principal's Office for submission checking	Thursdays	4.30 PM	Audit Team	Collect the submitted lesson plans from the Principal's office.
3	Lesson Plan return to Principal's Office	Thursdays	5.30 PM	Audit Team	Return the lesson plans to the Principal's office after review
4	Lesson Plan collection from Principal's Office for quality checking	Saturdays	12.00 PM	Audit Team	Collect the lesson plans from the Principal's office for quality checking
5	Lesson Plan return to Principal's Office	Mondays	8.45 PM	Audit Team	Return the lesson plans to the Principal's office after review.

8. Document Maintenance

Anecdotal Report

- Every class mentor is expected to maintain a digital anecdote of their class where every day for at least 3 students the class mentor has to record their observation relevant to their SOM parameters. (Any other important observation other than SOM parameters is also encouraged).

S.No	Particulars	Frequency	Time	Responsible	Description
1	Anecdotal Report checking by MLTs	Saturdays	NA	Teachers	Every class mentor is expected to maintain a digital anecdote of their class where every day for at least 3 students the class mentor has to record their observation relevant to their SOM parameters. (Any other important observation other than SOM parameters is also encouraged).
2	Anecdotal Report checking by Audit Team	20th of every month	NA	Audit Team	Review the genuinity of the entries

Learning Walks

- Looking into the best learning practices can always help a learner to emulate their teaching practices. Considering this in mind, every teacher from Grade 1 to 12 is encouraged to make at least two learning walks per month. Out of this one should be within their level and one should be across their level.

S.No	Particulars	Frequency	Time	Responsible	Description
1	Learning Walks File submission at Principals Office	25th of every month	NA	Teachers	Submit the learning walks file to the Principal's office.
2	Learning Walks File Submission to DA's office	26th of every month	NA	Principal	Submit the learning walks file to the DA's office.
3	Learning Walks File collection from Principal's Office	28th of every month	NA	Audit Team	Collect the learning walks file from the DA's office.
4	Learning Walks File return to Principal's Office	30th - 31st of every month	NA	Audit Team	Return the learning walks file to the DA's office after review.

8. Document Maintenance

Note:

All participants should receive clear instructions and reminders regarding the deadlines and responsibilities.

Regular updates and status reports should be provided to maintain accountability and transparency.

Though the report submission happens only once a month, the level MLT should have a weekly check, with the document maintained to understand, how many have to do, how many have completed, and how far they have completed. This can be a weekly update of the MLT.

Mark Registers

- Every class and subject mentor is required to maintain the mark statements of all the assessments (Continuous , RCT, Progressive tracker and Cumulative assessments) in excel for which the format is defined.

Submission of Mark Registers

- Grade 10 and 12 coordinators are responsible for submitting the RCT consolidated mark statements to the Principal on every Wednesday.
- Principal checks the records and passes it to the DA's office every Thursday.

11. Examinations

Objective

To ensure a smooth flow of the assessment process this SOP is recommended.

Assessment @ QMIS

Assessment is a continuous process at QMIS. Children from Grades 1 to 12 are subjected to this Formative and summative assessment process however Kindergarten have continuous formative assessments alone.

Grades 1 to 8 will have weekly two continuous assessments for 10 marks. This will be based on the timetable that is rolled out. The objective of this assessment is to gain experience in handling high-order thinking questions. The Question paper for the same has to be set by the respective subject teachers. They have to submit these QPs along with the lesson plan the previous week and take due approval from the Lesson plan evaluators.

Apart from these continuous assessments, there will be scheduled Progressive Trackers - 4 and Cumulative Assessments - 2 will be conducted. Question papers and marking schemes for Subjects like English, Math, EVS / Science, and Social Studies will be set by an external expert team.

Once the Question paper arrives, the exam committee should forward them to the chosen moderators to check whether the paper meets the TOS, marks allotment, weightage for each chapter and other points of academic concerns. If there are any changes to be done, it should be duly notified to the Head of the exam committee and the Senior Principal. Sr.Principal will be the point of contact for communicating with the external Q.P setter and get the concerns or queries answered through mail.

Note: All communication between the school and the external Q.P setter should be happening only through mail and no oral / verbal message transactions to be entertained.

11. Examinations

Central Evaluation for these examinations will be done based on the marking scheme and teachers will not be carrying the answer sheets outside the evaluation room.

Responsibilities

The Exam Committee selected by Principal and approved by the DA and MD is responsible for the preparation, execution, and post-examination processes. Specific tasks are delegated to members, teachers, PRM, respective subject mentors, Audit and Admin team are as detailed below.

S.No	Particulars	Schedule	Responsible	Description
1	Sharing the Exam Schedule with the External QP Setter	30 days before the assessment	Head of the exam committee in consultation with the Principal	A month before the exam, the nature of the exam, marks, weightage, duration, and the topics for the particular exam in each grade and subject have to be tabulated and the same has to be shared with the external QP setter.
2	Budget Preparation		Head of the exam committee in consultation with the Principal	Along with the budget for the month's preparation, the exam committee in charge has to prepare the budget for the assessment – which involves Question paper printing and any other costs involved.
3	Time Table Preparation	30 days before the assessment	Head of the exam committee in consultation with the Principal	Though the exam schedules are given in the annual planner, considering the monthly schedule once again 15 days before the exam, a detailed timetable has to be prepared by the head of the exam committee in consultation with the Principal.
4	Receiving Table of Specification	25 days before the assessment	Head of the exam committee in consultation with the Principal	The exam controller should follow up with the external QP setters and receive the Table of specification, mentioning the weightage of the topics and the same has to be approved by the Principal and DA.
5	Action Plan Preparation	25 days before the exams.	Head of the exam committee in consultation with the Principal	Once the timetable is approved by the Principal / DA, then the Action plan to be prepared.

11. Examinations

S.No	Particulars	Schedule	Responsible	Description
6	Requirement to be Forwarded to Stores	15 days before the exam	Head of Exam Committee	Any specific requirements like A4 sheets, exam sheets, maps, and graph sheets are all to be forwarded to the stores and should ensure that the materials are procured promptly.
7	Question Paper (QP) Format Sharing	15 days before the exam, the head of the exam committee shares it to the teachers	Head of Exam committee to Level Teachers	Format to be shared for all exams where internal QP is set (Language 2 and 3, IT)
8	Timetable Sharing with Parents & Transport (Only for CA)	15 days prior to the exam	Principal	Head of the exam committee and Principals have to discuss on the transport arrangement for the students and the special class arrangements. Draft a circular - with dates, portions and transport availability , special classes and communicate to the Transport team and Parents through edumerge and whatsapp with due approval from DA. Class mentors share the time table with parents through edumerge and PRM shares it through whatsapp.
9	External QP & Key Follow-up	15 days to 10 days prior to the exam	Senior Principal	Senior Principal and Principal follow up with the External QP setter to receive the QPs as per the due date committed.
10	Forwarding External QP to Moderators for Audition	2 weeks before the exam	Senior Principal/ Designated staff	As soon as they are received (Internal and external), the question papers should be handed over to the chosen moderators' team for quality check. The moderator team should complete the QP checking in two working days' time. Moderators have to check the matching of QP with the TOS, mark allotment, time duration, level appropriateness. Changes if any has to be duly notified to Senior Principal and that has to be mailed to the external QP setter at once.
11	External QP Alignment	1 week before the exam	Designated staff	Staff designated by the Exam committee should align the External QPs in the school's letterhead and submit a ready-to-print format. Task assigned members should maintain a high level of confidentiality

11. Examinations

S.No	Particulars	Schedule	Responsible	Description
12	Internal QP & Key Follow-up	10 days before the exam	Exam Committee Members	The head of the exam committee should follow up with the internal QP setters and ensure the prompt submission of the QP and marking scheme.
13	In-house QP Submission - Final Copy (Audited)	1 week before the exam	Teachers to Exam Committee Members	All the QPs should reach the exam committee for final print with the due acknowledgment of the QP moderator.
14	NOC Follow-up (Only for CA)	10 days before the exam	PRM	Before the children take their Cumulative Assessment 1 /2, PRMs should verify the fee payment status of every class and make a list of the unpaid students with the support and acknowledgment of the finance team. Children who have cleared their fees for the terms till that period should be issued with a No Objection Certificate (NOC), which will be considered as a Hall ticket for them to sit for the exams. If unpaid students are there then it has to be followed up by the class mentors and the coordinators and due closure is to be ensured. Upon clearance, they have to be issued the hall ticket and they have to take the assessments. The head of the exam committee coordinates with the PRM and the Senior Principal in this regard and ensures the Hall ticket cum NOC is with every child who is taking up the Cumulative Assessment. Any deviation in this will be not entertained. Exemptions for a fee defaulter can only be given by MD.
15	Hall Allotment & Acknowledgement	1 week before the exam (Only for CA); Other Exams - Respective Classrooms	Exam Committee	Hall Allotment & Acknowledgement

11. Examinations

S.No	Particulars	Schedule	Responsible	Description
16	Invigilation Duty Chart Preparation & Acknowledgement	1 week before the exam (Only for CA); Other Exams - As per Class Timetable that the committee rolls out without affecting the external and activity classes.	Exam Committee	The invigilation schedule should be prepared as per the discussions with the MLT and the other grades' schedules. ECA staff should be not used for lower grades invigilation and they should be strictly oriented on the roles of the invigilators. Once the invigilation is rolled out, mail and WhatsApp communication have to be sent by the exam committee head stating that no leave or permission is entertained during the exam days. If any changes are to be done that should be with the due acknowledgement of the Principal and Senior Principal.
17	Question Paper Printing (In-house & External Papers)	3 to 4 days before the exam	Exam Committee	All internal question papers are to be printed inhouse and the external question papers are based on the discussion with DA.

25	Error Analysis	7 days from the date of completion of exams	Level Coordinators	Every subject mentor has to do an error analysis while distributing the answer scripts. The format for error analysis is to be distributed by the respective level coordinators and record the reflections of the students. Exam committee members have to ensure that the error analysis process is completed and the reflection is documented in their file.
26	Answer sheets distribution	3 to 7 working day from the exams	Exam Committee	The exam committee ensures that once the mark entry process is through, the class and subject mentor send the answer scripts along with the children and get due acknowledgment from the parents which should be cross-verified by the class mentors.

11. Examinations

Communication

All communications related to the examination process should be clear and timely, ensuring all stakeholders are well-informed. If in case any deviation in the process is noticed, the same should be notified in the DSR.

Note

- If due to any unforeseen reasons an exam day is declared a holiday due to Government directions, then the exam on the scheduled date will be rescheduled as the last exam of the schedule.
- Any malpractices in the exams should be subjected to dealing as per the students' discipline handbook directions.
- No exemptions for exams would be given to students from writing the exams except for the Medical or school-sponsored events where a student is representing the school. Any deviation of conduct of exams for the absentees should not be extended without due approval of the reasons from the DA.
- No leave or permission for any teacher who has invigilation scheduled on a day. If for any unavoidable reasons, a teacher wishes to take a planned leave then due arrangements to be made for covering their invigilation with the acknowledgement of Principal and Exam Controller.

Handling Cheating in Examinations

Objective

This SOP aims to give direction to the faculties on how to deal with the malpractices if any happen during the assessment.

Overall Accountability: Principal

Responsibility : Exam Committee Head

1. Preparation Phase

Policy Communication

- Ensure that all students and staff are aware of the examination rules and consequences of cheating. This information should be communicated clearly at the beginning of the academic year and before each examination period.

Surveillance Setup

- Ensure that surveillance cameras in every examination hall is functioning to monitor student activities during exams. Ensure cameras cover all areas.

Training Invigilators

- Train invigilators on how to handle and report incidents of cheating, including the use of surveillance footage.

2. Detection Phase

Monitoring

- During the examination, invigilators should actively monitor students.
- Real-time surveillance should be monitored by the cctv monitors.
- Invigilators should be strictly instructed not to be seated in the exam hall and to engage in active monitoring also vigilant in completion of all questions by every student in the hall.
- Invigilators should be strictly prohibited from usage of gadgets during monitoring .

11. Examinations

Incident Identification

- If cheating is suspected, invigilators are supposed to take the answer script first from the child if it was noticed. Without notifying the other children in the venue, the child will be notified to start his answering in a fresh answer script.
- Invigilators should document the incident immediately and discreetly and to be notified to the Exam controller / Principal.

3. Evidence Collection

Documentation

- The exam controller has to get the incident report form filled by the invigilator with the following details captured
- Fill out an incident report detailing the suspected cheating, including the date, time, and location of the incident.
- Description of the student's actions.
- Names of any witnesses (invigilators or other staff).

Footage Retrieval and Securing Evidence:

12. Event Coordination

Objective

To ensure a smooth conduct of the events that are planned / unplanned.

Event Coordination

- For every event, there would be a team designated to organize the event. It is to be ensured by the Members who plan and roll out the event, that no individual should be given as Event coordinators or roles. Every role should be assigned to two members of the team.
- While constituting the team for execution, ensure that it is not completely by the new members, an existing and a new member to be clubbed together for execution.
- Once the team is constituted, Event coordinators must involve the entire team in the planning to ensure understanding and smooth execution.

Core Events

Internal: (Inhouse and Venue Sponsored)

▪ Inhouse

Sangamam, Aadukalam, TLE, Q's Advisory Board meeting, CIS process, and any other events that the Management plans

▪ Venue Sponsor

For certain events, the venue and the other requirements support will be extended by the school. If specifically asked by the organizers support of faculty will be extended.

Eg. Sahodaya events, Inter school - cultural and sports events (Taekwondo, silambam, Kung fu etc)

External

Events organized outside the school campus.

12. Event Coordination

Non - Core Events

All events other than those mentioned above are considered Non-core events.

Eg. Digital Citizenship presentation, Health and Safety Committee awareness session

Committee Constitution

- Core events will have the committee constitution, planning, and commencement of tasks at least 30 days before the event.
- For all non -core events and certain Management decided events the committee constitution will be from one week to 15 days.
- **Accountability** : Event InCharge
- **Responsibility** : Team constituted for every event

Duty Chart & Agenda Preparation

- The event coordinator prepares the duty chart and it has to be reviewed and approved by the Principal.
- In case of any specific staff requirement from the other departments viz., Admin , Finance, HR , Security due consultation and discussion with the respective department heads should be carried out by the Event coordinator.
- Particulars of the tasks should be clearly defined so that it is self-explanatory for the staff members.
- Duty charts should be prepared at least a week before the Core event and 3 days before the non-core event.
- Duty charts to be approved by the Principal for all non-core events and by the DA for core events
- All the members have to be oriented on the tasks assigned to them and the same has to be acknowledged by them.

12. Event Coordination

- In case of non acceptable act or non cooperation of staff, then event incharge has to immediately escalate to the person who has approved the duty chart.
- Agenda of the event to be prepared in consultation with Principal / DA / MD based on the nature of the event (Core / Non-Core)

Materials Planning & Rates Approval

Material Planning

- The event coordinator must plan the material requirements for the respective event.
- Receive the requirements from the incharge staff and review the same to understand the genuine need for the material.
- Avoid planning unwanted or excess material. However, plan wherever a buffer quantity may be required to avoid shortage and to meet the needs of the situation.
- Verify the material in stock and plan for purchase accordingly.
- Wherever applicable the material cost should be compared with the earlier bills and the correct charges should be paid.
- If there are variations / revisions in the rates in comparison with the earlier bills or approved rates then the revised rates should be approved by the Managing Director.
- Finalise and confirm the payment terms for the respective vendors.
- All the materials needed should be procured 3 days prior to the date of the event.
- As and when the materials are procured update the same in the Event WhatsApp group.
- All the procured materials should be stored in the appropriate place and distributed to the respective members as and when required.

13. Interhouse Events

Objective

- The inter-house competitions aim to build the children's self-confidence to face a larger audience and develop intricate interpersonal and intrapersonal skills.
- These activities will be spread across the year. Children will be grouped into 4 houses - Aryabhata, Bhaskara , Charaka, Susrutha.

Overall Accountability : Level Coordinators

9a. Planning of Activities

MLT plans for the annual inter-house competitions for the upcoming academic year by Jan- Feb.

This planning is to facilitate the activities listed in the Students Journal.

Student Journal – List of activities

9b. Communication of Activities

The activities planned will be printed in the journal and will be handed over to the parents during logistics supplies. Apart from this during Monthly calendar preparation, MLT plans these activities as per the other activities scheduled for the month. Once this is approved by the MD , the same has to be communicated to the parents through circulars. (Ref : Timeline for Circulars)

Ref : Circular of Interhouse activity

9c. Conduct of the Activity

The inter house events to be scheduled as per the calendar without any postponement or advance. In case of any valid reason that needs postponement after scheduling in the monthly calendar, the same has to be sent through mail and proper approval to be received from MD through DA. The respective level coordinators hold accountability for the effective conduct of the event.

Issues Raised by Parents Handling

Issues raised in School Online Management System

- Parents raise a ticket to the respective chargers (Teachers / MLT /SLT / Transport/ Finance) through the help desk.
- All issues from Parents will have a view option for the PRM to have a track.
- Ensure that the issue is addressed and replied to by the respective member within 24 hours.
- The concerns raised, if any, require the immediate attention of SLT and Management and must be reflected in the DSR.
- Incase If issues require time to be addressed, then the status has to be promptly communicated to the parent in consultation with the respective member.
- Have the concern in the loop and ensure a proper follow-up and closure.

Issues Represented by visiting the school

- If it is a scheduled meeting, then call for the respective member and coordinate the meeting.
- If it is an unscheduled meeting, receive the parent and understand the nature of the issue. Depending upon the nature of the issue, either pass on the inputs to the concerned member and ensure that the issue is resolved and closed on the committed date or make the parent wait and call the concerned member to address the issue.
- Once the parent visits and shares their concern with the level coordinator/teacher / PRM, the details are to be reflected in the DSR, and the same has to be taken by the PRM for further follow-up.

Issues Represented through letter

- Understand the nature of the issue, make the entry in the issues register and handover the letter to the concerned level coordinator at once.
- Scan the letter and send it to the concerned member via mail in 24hrs.
- Confirm the date for closure and ensure that the concerned member does it.

15. PRM and Front Office

Parent Concerns Consolidation

- PRM generates the monthly report of the concerns recorded throughout the month. The total concerns are mentioned in the Excel loop and reflected in the everyday DSR.
- The consolidated report closure document is considered a prime document that has to be ensured on closure and due acknowledgment to be received from MD to facilitate the Salary disbursement.
- **Note:** If any issues are delayed without valid reasons it has to be escalated immediately to Director Academics for Academic Concerns and to Joint Director Academics for concerns under Administration departments.

Parents / Visitors Entry

- Ensure that the Turnstile is intact and anybody who enters through the reception uses their ID card / visitors card to open the turnstile.
- If there are any special reasons to keep the turnstile open that should be duly approved by MD.
- Do not allow the parents / visitors beyond the atrium area without approval from the Principal on regular working hours.
- Any support for the student movement to be extended by the PRMs / HK support .
- Receive all the visitors / guests by standing in their place and greeting them.
- Ensure that they are wearing the appropriate visitor's tag .Insist to wear the tag if they are not wearing it.

Planned Visitor Movement

- If any guest's visit is planned in advance, receive the intimation from the respective member regarding the visitor.
- It is the responsibility of the Front office to send visitors pass to the mobile number.
- Half an hour before the guest arrives, the front office has to have a follow up call and check their timely arrival and give due update to the MD if his guest has been followed.
- Intimate to the appropriate person about the visitor / Guest.
- Incase of an unplanned visit, collect the inputs from the visitor through security and check with the respective department or incharge and facilitate the meeting.

Maintenance of Students Demography

- Roll out a Google form one time to capture all the students' data – Demography, language options, ECA options, health details, transport details, Aadhar numbers of Parents and students, and any other specific data related to parents that is been suggested by the Principal
- If the parent submits any request in the change of details then it has to be amended immediately - Spelling error, initials, change of contact number, address, boarding point etc.
- Student Demography should be password protected.
- **Ref : Student Demography - Format Links :**

Parent Profile Maintenance

- Based on the details from the Students Demography , maintain a database separately on Parents occupation / Bureaucrats and share it with the SLT members. This data can be used for parents engaging with the school - resources for PDP session, resources for student sessions and consultation for school activities.
- The point of contact for specific Bureaucrats will be PRO/ Admin Manager / Joint Director Administration / Director Academics / Managing Director as may be decided.

Satisfactory Survey through Phone Calls

- Call parents randomly (Levelwise 1 parent) daily. Total calls per day : 4.
 - ✓ Level 1: KG , Grade 1 & 2
 - ✓ Level 2 : Grades 3 - 5
 - ✓ Level 3 : Grades 6 - 9
 - ✓ Level 4 : Grades 10 - 12
- Discuss with the parent on their familiarity on the school procedures and new initiatives and get their feedback on the following heads:
 - ✓ Academics
 - ✓ Sports / ECA / ASA
 - ✓ Initiatives - E+ / BFIT / STEAM
 - ✓ Administration and others - Transport / Housekeeping / Front Office / Cafeteria / Securities / Finance / School Online Management System / Others
- If the parents express familiarity on the above, get their feedback.
- If the parents express non familiarity with any initiatives / operation then escalate the issue to the respective level coordinator and ensure that the parent is provided with the details or orientated on the same within 7 working days.
- Everyday reports on the phone calls have to be filled in the excel format and sent as mail to the SLT and Principals with cc to the AVP's and Coordinators.
