

HR TESTING REPORT

Module results for 9 October 2026

API tests. Each HR module is called the way the screen calls it, using the HR login. The browser was not clicked through in this run.

27 passed	0 failed	About 10 seconds	Last run: 9 October 2026
-----------	----------	------------------	--------------------------

Command, from the backend folder: `python -m pytest tests/test_hr_modules.py tests/test_hr.py tests/test_phase0.py -v`

Module results

Module	Test	Result	What was checked
Staff user creation	test_module_staff_user_creation	Passed	HR creates the person, the temporary password logs in, first login must change the password, and the assignment is stored
Documents	test_module_documents	Passed	An ID proof is stored as Verified
Recruitment and interview	test_module_recruitment_and_interview	Passed	Job, candidate, scheduled interview, then a Selected decision
Offer and onboarding	test_module_offer_and_onboarding	Passed	Accepted offer and an onboarding checklist item
Observation and shadow mentor	test_module_observation_and_shadow	Passed	Observation decision and a mentor assignment
Attendance and leave	test_module_leave_updates_attendance	Passed	Approved casual leave writes attendance as Leave
Permission	test_permission_request_marks_attendance	Passed	A permission request writes attendance as Permission
Leave balance	test_leave_balance_by_type	Passed	12 days entitlement minus 2 approved days leaves 10
Training	test_module_training	Passed	Session, attendance, and participant feedback
Performance and BSC	test_module_performance_and_increment	Passed	Review with a BSC score. An applied increment cannot be rewritten
Increment	test_applied_increment_updates_salary	Passed	An applied revision updates designation and gross salary
Payroll	test_module_payroll_lock	Passed	A paid month stays at the original net salary
Salary advance	test_module_salary_advance	Passed	An approved advance keeps the outstanding balance
Disciplinary action	test_module_disciplinary_is_permanent	Passed	Editing an approved record is rejected
Staff-child concession	test_module_child_concession	Passed	The concession percent is stored against the employee
Exit	test_module_exit_deactivates_login	Passed	A completed exit makes the old password fail
Incentives	test_module_claims_and_incentives	Passed	An extra-work claim and an incentive row are stored

Module	Test	Result	What was checked
Who can see a profile	test_employee_sees_only_own_profile	Passed	A teacher login sees only their own profile
Locked profile	test_saved_staff_profile_cannot_be_rewritten	Passed	Name and salary stay fixed. Department and role can transfer, and the old department stays in history
HR data round trip	test_hr_vertical_round_trip	Passed	Employees and HR collections save and load again
Login required	test_hr_routes_require_a_token	Passed	HR routes reject a request with no token
Health, login, OTP, masters, admission	Phase 0 tests	Passed	The shared login, class and subject masters, and the admission path still work
